International Scientific and Practical Conference
devoted to the 80th anniversary of the Victory in the Great Patriotic War **"The Great Victory: Honouring Courage, An Example for Generations"** and the 60th anniversary of the establishment of the military department of NAO "Medical University of Astana" **"Improving Military Training in Modern Civilian Higher Education Institutions: History and Future Development"**
(*"Improving military training in civilian universities at the present stage: history and prospects of development"*)

25 april 2025

Astana

Dear colleagues, teachers, students and specialists in the field of health care, education and patriotic education!

Organising Committee of the conference NJSC "Astana Medical University" invites you to take part in the international scientific-practical conference dedicated to the 80th anniversary of Victory in the Great Patriotic War **"The Great Victory: Honouring Courage, An Example for Generations"** and the 60th anniversary of the establishment of the military department in offline/online mode, which will be held on **25 April 2025** on the basis of NJSC "Medical University of Astana" at the address: Astana city, Beibitshilik str. 49 a.

Start at 10.00 a.m.

Objectives of the conference work:

- 1.To pay tribute and recognition to the people who defended the honour and independence of our country and defeated fascism;
- 2.To form knowledge about the Great Patriotic War among students and to immortalise the memory of the peoples' feat. To teach the younger generation to love and protect the Motherland. To educate young people as responsible citizens who respect their country and land, to teach them to bow before heroic feats, to be brave and courageous, to bow before the spirit of ancestors, to believe in victory;
- 3.Sharing experience of military training in civilian higher education institutions;
- 4.Improving the theory and practice of military training, pedagogy and methods of teaching military disciplines.

The conference will address the following issues:

1. Doctors of the Great Patriotic War: courage and legacy;
2. Feats of Kazakhstanis on the fronts of the Great Patriotic War 1941-1945;
3. Consideration and elaboration of actual proposals on improvement of the system of military training;
4. Exchange of pedagogical experience on introduction of effective methods and modern technologies of education;
5. Study of issues of military-patriotic work.

Conference language - Kazakh, English, Russian.

During the conference it is planned to discuss the contribution of Kazakhstani citizens and medical workers at the fronts of the Great Patriotic War 1941-1945, as well as issues related to the organisation of educational, methodological and educational work at military departments.

Procedure for participation in the conference:
